Water Meter

A meter will be considered accurate if, when measuring water at intermediate and full flow capacities it shows an error, which is not greater than 1.5 percent.

Upon application by any customer to the Board, a test of the customer's meter will be made by an engineer of the Board. Such test shall be made as soon as practicable after receipt of the application and upon notice to the customer and the utility as to the time and place of such test.

A fee of \$5.00 shall be paid by the customer at the time application is made for the test, in accordance with the New Jersey Revised Statutes 48:2-56. Please make check or money order payable to: "Treasurer, State of New Jersey".
